

http://www.amwest-travel.com/awt_painted.html

Painted Desert which runs from the northern part of the park in a northwest direction towards Lake Powell.

More good views of the Painted Desert can be found along US-89 north of Cameron, Arizona heading towards Page and Lake Powell.

Additional views, as well as dinosaur tracks and fossils (photo, right) can be found by turning east on US-160. The dinosaur exhibit is just west of Tuba City.
